Parent Information for Online Campus Tutorials to Support AKS

If you are interested in “previewing” next year’s curriculum or just need additional support for this past school year, you should take advantage of this summer opportunity to reinforce Academic Knowledge and Skills (AKS). **These AKS have been put into a self-paced, interactive, online tutorial.** These tutorials are just an additional support and are not required.

The cost is \$10 per child, per course.

The tutorials will be available to students **from May 27 to August 6, 2010.** Registration and payment must be received in the Parent Center no later than Wednesday, May 19, 2010. [To access the program your child will receive a login and a password in his/her report card envelope.](#)

The tutorials contain explanations and self-checking quizzes for all AKS with step by step feedback when applicable. Students can repeat any portion as many times as needed to learn the content.

The tutorials are internet-based, and can be accessed on any computer with Internet access. There is **no grade** attached to this course. There is **no “teacher”** to monitor your child’s efforts. However, directions, assignments, and examples are clear and thoroughly present the content. It will be up to you and your child to assure that he/she makes the best use of the resources. There will be no refunds.

For questions related to registration call 770-972-4500 and ask to speak to **Britt’s Online Tutorial Coordinator.**

For technical difficulties contact: eCollege Help Desk at helpdesk@gwinnettk12online.net or call 303-873-0005

*******Parent Permission**

Form & payment MUST be received in the Parent Center by Wed., May 19th.

Child’s Name: _____ Student’s ID Number: _____

Child’s Current Teacher: _____

If you are interested in purchasing access to the following tutorials, **please complete one form per child.** You may obtain additional Online Tutorial forms by visiting Britt’s website at www.wcbritt.org. **Be sure to check the grade level tutorial your child needs.** If you have a 5th grader who will be entering middle school in the fall, you may wish to purchase two tutorials: one 5th grade tutorial as a review and the 6th grade Standard tutorial for previewing purposes. In this case, you would check both tutorials below and send \$20. Note that the 6th grade Accelerated Math is advanced and is designed for 5th graders who participated in the accelerated math program. Checks should be made payable to W. C. Britt Elementary School. **There will be no refunds.**

_____ 3rd Grade

_____ 4th Grade

_____ 5th Grade

_____ 6th Grade (Standard)

_____ 6th Grade (Accelerated)

I understand that these tutorials are provided as an additional support and that there is no “teacher” to monitor my child’s progress.
